FROM : SAC DONALD E. RONEY, DIVISION IV

SUBJECT: NATIONAL RENAISSANCE PARTY
RACIAL MATTERS

I received a telephone call this morning from DICK RASKIN, who identified himself as being with radio station WGNY, Newburgh, New York. He gave the address as Old Littlebritton Road, next to Lloyd's Shopping Center, telephone 561-2135.

Mr. RASKIN said he had some information concerning the National Renaissance Party which he thought might be of interest to the FBI, specifically concerning one ROBERT JOSEPH BURROWS, 215 First Street, Newburgh, New York. RASKIN said BURROWS had been passing out some literature in Newburgh concerning captioned organization, and RASKIN now has some of this literature which he believes would be of interest to the FBI.

RASKIN also said he would appreciate if we could furnish him any information concerning the background, aims, objectives, etc., of the National Renaissance Party which he might use in publicity concerning the organization. Mr. RASKIN understands the Bureau's limitations on dissemination of classified information, but he said he would appreciate being referred to any public source information or other data he could use.

I told Mr. RASKIN an Agent would telephone him today to make arrangements to call on him at the earliest opportunity. Arrangements are being made with a Resident Agent covering that area to handle this contact. We should also determine what public source information is available which we might furnish Mr. RASKIN, or public sources to which he might be referred.

Dear Sir,

Along with the usual trash that comes across my desk as Administrative Editor of the University of Cincinnati Newsrecord, was the enclosed letter. Basically it represents the typical hate material we are constantly being barraged with. The unique aspect is that it emanates from an address which has been very productive throughout the year.

I am sending it along to you in the hope that you may use it for some purpose. If I can be of any service to you in the future feel free to call on me.

Thank you.

Sincerely yours,

Robert Schumacher

Postal inspectors ask for ruling on hate literature in Orange

By DAVE GAUMER

MIDDLETOWN

Samples of anti-Semitic and anti-Negro hate literature being mailed to Orange County residents by the National Renaissance Party (NRP) has been forwarded to postal inspectors by Middletown Postmaster Robert R. Austell.

Austell asked postal inspectors in New York to examine the literature to see if any postal regulations are being violated in its mailing.

The Middletown postmaster said he could not say if the literature, which attacks Negroes and Jews and claims such groups as the YMCA, YWCA, Girl Scouts, and Boy Scouts encourage interracial marriages, should be banned from the mails.

In Newburgh, Robert Joseph Burros, who has been active in recent weeks organizing a county chapter of NRP, first said the literature was being mailed only to party members and newspapers.

After being advised that non-party members had turned some of the literature over to The Times Herald-Record, Burros said some literature might have been sent "to persons party members thought would be interested."

Dr. King attacked

Among the literature was a leaflet from the National States Rights Party which showed Dr. Martin Luther King, 1964 Nobel Peace Prize winner and civil rights leader, at what was claimed to be a Communist training school.

Burros was asked if there was a connection between NRP and the State Rights group.

"In certain territories we jointly sponsor American patriotic rights rallies," Burros said.

One of the leaflets distributed in Orange County attacks all youth movements as promoting mixing of the races.

"Remember all youth movements have for their special feature the mixing of Negroes with your white child..." the NRP leaflet claims.

The NRP leaflet concludes, "...their (the youth movements) object is to destroy the civilized world for Communism by mating your white innocent with the loathsome Negro."

Another leaflet, entitled "Who is the Real Enemy?" attacks the Jewish people with side remarks slurring Negroes.

New York is "enemy capital"

The pamphlet claims, "The enemy capital for many years has been New York, not Moscow." New York is described as "the center of world Jewry."

The NRP pamphlet claims the Jewish race is in-

tent on seeing "European Whites" destroyed and that a national conspiracy for this purpose is under way.

The pamphlet claims, "When you become fully alerted to the awful danger descended upon us, you will want to join us in organizing secretly for the fight to decide whether or not we have the right to exist on this earth as human beings."

Another leaflet attacks church leaders for promoting equality of the races ideas. An attack centered on Negroes, the leaflet states:

"Education alone cannot increase the capacity of the Negro to be educated for moral and intellectual achievement. Strict selection of the more intelligent as parents through a thousand generations would be required to change the Negro brain to equal that of the white man."

The literature was sent by first class mail in envelopes marked with a returned address of James Madole, 10 West 90th St., New York. Madole, Burros said, is the national director of NRP and one of its founders.

Declines to answer

Burros, when asked if he had supplied names and addresses of some of the people who received the literature said, "You are getting into intra-party workings now and I can not answer that question."

Burros said he had helped to write portions of some of the pamphlets distributed.

"Some of our members in the Middletown area also contributed to some of those pamphlets," Burros said.

Burros, 27, a former student at Middletown and Newburgh high schools, has said he is organizing the NRP in Orange County while on a four-month vacation from his job with an unidentified export firm. He is staying with his parents, Mr. and Mrs. Harry A. Burros, 215 First St., Newburgh.

Austell said since the literature was sent by first class mail it might be impossible for the postal department to do much about it.

"Our hands are tied unless someone brings this kind of stuff into us," Austell said. "We can not open first class mail. Any time anyone gets objectionable, or obscene, mail, they should bring it to us. We'll send it to the inspectors and they'll determine what might be done."

Austell said if mail was found to violate postal regulations, an order could be issued to stop such mailings. A fine and jail sentence might also be possible, Austell said.

Publicity Held Major Victory For Group with Racist Policy

To the Editor,
Your front-page headline Jan. 22, reading, "Racist Group's Use of Courthouse Hit," as well as the news article itself, has raised many interesting questions.

Did not Robert Burros (self-identified as "secretary of public information and propaganda" for the National Renaissance Party) achieve a major propaganda breakthrough with the "cooperation" of Mrs. Gwendolyn Scott Sayles, chairman of the Newburgh Taxpayers League, as well as the "cooperation" of THE EVENING NEWS?

At the time you printed the news article on Mr. Burros and his racist "group," did your newspaper have one single shred of substantial evidence of the actual existence of such a "group," or did it rely entirely on the unsubstantiated word of Mr. Burros, the "propagandist"? If there is in actuality no "group," is this not a hoax against the public? Did the newspaper actually conduct any investigation to ascertain whether there was or was not such a "group" in existence locally?

Is it possible that THE EVENING NEWS has been completely outfoxed? Has it given entirely undeserved status to a phantom "group" consisting of only one man? Were any other individuals

in Orange County called on the telephone by Mr. Burros other than Mrs. Gwendolyn Scott Sayles, or was that the lone telephone call best calculated to achieve headline publicity for a "phantom group"?

Has a phantom racist "group" not actually existent at this time been synthetically "created" in Orange County in the public mind by the mere seeing it in print?

Will the slick propaganda organs of the "liberals" move in later in a long range, well-thought-out plan ante-dating the present publicity windfall of the racist "group," to link falsely or liken such a phantom "group" to effective, responsible, patriotic, anti-Communist organizations?

Looking ahead, can we now anticipate that this has been a carefully set-up situation and that one or more of such "drum beaters" as Life Look, CBS, NBC, etc., will sooner or later move in with their usual efficiency to take full propaganda advantage of this one-man "phantom racist group"?

MILDRED MCGUIRE

(Edit: Use of the Orange County Courthouse at Newburgh by an organization cited by the House un-American Activities Committee was averted by this publicity.)

Re: National Renaissance Party

Hodge Pleased By Refusal Of Courthouse

To the Editor,

As a taxpayer and citizen of Newburgh by birth, I was happy to read THE EVENING NEWS Jan. 25, that the National Renaissance Party had been denied use of the Orange County Court House in Newburgh as a meeting place.

My reasons are that Newburgh can ill afford another "black eye" on the road back to an "all American City." To have allowed an ultra-right organization to use any of our public facilities for any sort of meeting would be nothing short of a "black eye."

It is my opinion, that Mr. Burros and his party are as out-moded as the Model T Ford. In other words, his "ideas" are not those that are shared by the people in the "main stream" of American life and thought. He and his party are clearly racist in nature — anti-minority — and would destroy all the good that can be done in the community.

Finally, if we let this group (cited by the House Subcommittee on un-American Activities in December 1954, as neo-Fascist) grow in our country, and in our local community in particular, we will soon have nothing less than a "dead city" — no new industry etc. They (NPR) can only ferment race hate, which will most definitely lead to confrontation of the minority groups and the race-haters. As a direct result no industry can be expected to come to our community.

BURROS and others of CORE at the White Castle Restaurant in
NYC about a year ago.

In discussing the National Renaissance Party
and other extreme Right groups, TSONTARIDES stated that
many young people who are against integration and realize
that in military service they will be integrated with negro
soldiers, join GEORGE LINCOLN ROCKWELL's party knowing that
they will then be unacceptable for military service.
TSONTARIDES made this remark when evaluating the potential
danger of the far right to the internal security of the
United States, saying that there is no strong leadership
and no well defined goals of the far right and very few
individuals really dedicated to the stated objectives of the
far right. He said that ROCKWELL could not lead those
young men who joined his party only to avoid military service.

AMERICAN NAZI PARTY
RACIAL ENDANGERMENT

On 2/6/65, [redacted] who has furnished reliable information in the past, advised that GEORGE LINCOLN WOODSELL, leader of the American Nazi Party (ANP), the headquarters of which are located in Arlington, Virginia, has no plans at present to reactivate the ANP in NYC. However, if the ANP is reactivated in NYC, JOHN PAYNE, who is presently an ANP officer in Arlington, Virginia, will be designated by WOODSELL to head the ANP in NYC.

b7D

The source stated that [redacted] an ANP member, is presently in NYC, but has no connection with any establishment of an ANP chapter in this area.

b6
b7C

The source further stated that [redacted] has resigned from the ANP and is now reportedly a member of the National Renaissance Party (NRP).

The source further advised that DAW BURROS is active in the Pittsburgh, PA area and identifies himself as a member of the NRP. However, according to the source, the NRP remains a one man organization, namely JAMES H. MARSH.

The source further stated that GEORGE LINCOLN, formerly with the ANP in NYC, is now completely inactive and not affiliated with any organization like the ANP.

Gentlemen,

I received the enclosed literature in the mails last week, and am sending it to you in the hopes that some steps might be taken to prevent this type of obscene, inflammatory untruths, from being carried in the mails.

I do not know the person whose name and address is on the envelope, nor am I listed in the telephone book (although my husband is).

I am shocked and outraged by this type of insane ravings, and certainly as a citizen should have some protection against it coming into my home unsolicited.

If as an individual I can do anything to stop this sort of thing, you may be assured that I will cooperate fully.

Enclosed literature destroyed

2. NRP leaflet "Christian preachers and

Memorandum

TO : SAC, NEW YORK

DATE: Feb 20, 1965

FROM : M.C. [redacted]

SUBJECT: NATIONAL RENAISSANCE PARTY,

At 4:27 PM this date ROBERT BURROS, 215 1st St., Newburgh, N.Y., J0:2-7935, telephonically contacted the NYO and advised that an individual named [redacted] has been in and about the city of Newburgh, N.Y. for the past few weeks enlisting clergymen and other citizens to help him with a peace movement he's supporting. BURROS stated that he, the complainant, is the Director of the Newburgh, N.Y. branch of the NATIONAL RENAISSANCE PARY, and that [redacted] is a card carrying member of the Communist Party who is employed as a Professor at the New York State Teachers College in Newburgh.

He further advised that [redacted] had been branded a Communist by U.S. Senator STROM THURMOND in a letter written to a [redacted] approximately 1½ years ago, and that [redacted] may be known as [redacted] or [redacted] (Phonetic). He also advised that aforementioned peace group was to have held a demonstration in Poughkeepsie, N.Y. at 10:00 AM this date but that something prevented it.

He then advised that [redacted] had convinced several clergymen to write the local newspapers in support of his campaign to get U.S. troops out of Viet Nam. BURROS stated that he himself is a public figure around Newburgh, N.Y. but that the newsmen would not give any publicity to his charges that [redacted] is a Communist. He furnished that if the FBI wanted additional information concerning the above he would be available for interview on 2/23/65 between the hours of 4:00 PM and 6:00 PM at above address.

He was advised that the above would be furnished to the interested Supervisor.

Dear Sirs:

Enclosed is piece of "hate" literature which I found in my mailbox today. You heard of such things but never expected to see one.

I would suppose you already know of this organization & that it is being watched; but just case you are not - here is my unloved mail.

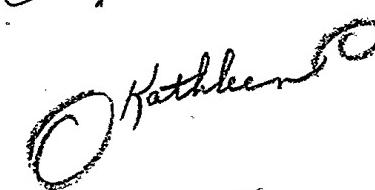

I send it to you in the

Dear Sir:

As per my telephone conversation of this morning with your special agent, I am enclosing herewith some hate literature I have been receiving during the last fortnight -

I am complaining herewith for receiving such subversive and hateful propaganda in my household where my children are exposed to it - I simply want to bring this matter to your attention -

On February 12th 1965, a letter of mine to The World Telegram & Sun, was published in that paper under "Letters to the Editor". I presume that my name & address was procured from that letter -

Very truly yours,

Cecilia Kelly

New York, N.Y. 10024

Dear Mr. Manning:

This office is in receipt of your complaint.

While it is regretted the mails are used from time to time for the dissemination of matter critical of religions, races and political views, there is no violation involved under current postal laws, particularly when sent under cover of envelopes with nothing objectionable appearing on the outside thereof.

Material which indicates possible subversive activities comes under the purview of the Federal Bureau of Investigation.

We are taking the liberty of forwarding your complaint to the Special Agent in Charge, Federal Bureau of Investigation, 201 East 69th Street, New York, N.Y. 10021, for consideration, as this matter appears to come under their investigative jurisdiction.

We appreciate your presenting the mailing for our consideration.

Sincerely yours,

Postal Inspector in Charge

Hate mail

The Times Herald-Record was being sent to the FBI for consideration, "as this matter appears to come under their investigative jurisdiction."

"We appreciate your presenting the mailing for our consideration," Hickey concluded.

The NRP literature mailed early in February slurred Jews, Negroes, church leaders and integrated youth movements, claiming the YMCA, YWCA, Boy Scouts, Girl Scouts and other youth groups "have for their special feature the mixing of Negroes with your white child..."

Burros initially claimed the mailings in February were being made only to party members and newspapers in Orange County.

"We have many newspapers across the country which use our material on a regular basis," Burros claimed.

After being told that some non-party members had brought NRP mailing samples to The Times Herald Record, Burros said some literature might have been sent "to persons party members felt would be interested."

A number of the NRP mailings went to prominent civic and political leaders in the county. Oddly enough, quite a few of the mailings were addressed to respected members of the Negro and Jewish communities.

Turns to FBI

Post Office powerless against hate mail

By DAVE GAUMER

MIDDLETOWN

Anti-Semitic and anti-Negro hate literature mailed last month by the National Renaissance Party (NRP) to Orange County residents does not violate postal regulations, but may be a matter for the FBI.

R. J. Hickey, postal inspector in charge of the New York office of the U. S. Post Office Department, gave that opinion in a letter to A. N. Romm, editor of The Times Herald-Record. The newspaper had sent samples of the neo-Nazi hate literature to postal authorities.

"While it is regretted the mails are used from time to time for the dissemination of matter critical of religions, races and political views," Hickey wrote, "there is no violation involved under current postal laws, particularly when sent under cover of envelopes with nothing objectionable appearing on the outside."

The literature was sent by first class mail with a return address of James Madole, 10 West 90th St., New York. Robert J. Burros of Newburgh, who claims to be organizing an Orange County chapter of NRP, has identified Madole as national director for NRP.

In recent days a second mailing of hate literature to Orange County residents has been reported. No return address is shown on the mailing reported.

The latest mailings contain National States Rights Party bulletins. The NRP label is not displayed. However, Burros said after the first mailings, which also contained States Rights Party literature, the two parties often worked together.

The opening paragraph of one bulletin reads much the same as the earlier NRP leaflet:

"Integration, degeneration, mongrelization — call it what you will — is the deliberate forced social association of white people and racially inferior Negroes, the purpose of which is racial intermarriage and the production of simple-minded, docile mulattoes who will be obedient to their Jewish masters."

Burros has requested to use the county courthouse building in Newburgh for a party rally. His request, rejected initially on the grounds that such a meeting might incite violence, is being reconsidered by the County Board of Supervisors.

Burros has said he is considering inviting retired U. S. Army Gen. Edwin Walker of Texas to speak at a April 9 meeting of the party.

Although postal officials can do nothing to halt the mailings, Hickey noted that "material which indicates possible subversive activities comes under the purview of the FBI."

Hickey said the material and information submitted by

Freedom of speech and freedom of assembly are precious to the American, democratic form of government. In fact, there are constitutional measures to protect such freedoms.

However, the question does arise occasionally as to whether public buildings and taxpayer-supported facilities should be available to all, and under any circumstances,

Great Britain, from whom we took many of our principles in this respect, including the Magna Carta wrung from King John, has a place where orators can speak freely in Hyde Park, and attacks are permitted there upon even the government which protects the practice.

Newburgh and Orange County are confronted with a problem now, concerning whether an organization known as the National Renaissance Party should be permitted to use the county courthouse in Newburgh for a meeting on Jan. 29.

The Party is not on the attorney general's list of subversive organizations, but it does bear a substantial indictment at the hands of the House Committee on Un-American Activities. Some of the principles described by its local spokesman bear the stamp of racism and the aura of alleged Aryan supremacy so strongly disapproved by most Americans.

There may be some superior Aryans, just as there may be some superior Semites and other Whites, and some superior members of the Yellow, Black and Red Races. There also are some inferior members of all those races, and a great many, good, ordinary people.

Objections to use of the county courthouse by such a group look virtually as valid as those which might be raised with respect to its use by Communists.

Such use of public facilities could be construed by many persons as some sort of public approval for the assembly. There is also the likelihood that the legitimate objections of other groups could make it necessary for law-enforcement officials to intervene, with violence and injuries.

The Supreme Court has held that the right of free speech cannot be extended to include the right to cry, "Fire" in a crowded theater.

Yet there is the dangerous alternative that denial of the right to assemble peacefully and speak publicly can force those so denied into clandestine meetings and activities wherein the light of truth and reason may be withheld.

This matter involves rights and privileges precious to us all. Perhaps the answer is for county officials to make sure public facilities are not used for potentially disloyal and treasonable activities.

Of course, there are laws which define disorderly conduct and these laws have teeth in them. If any group misbehaves in public and violates such laws, there should be no reluctance to make the necessary arrests and provide fair and speedy trials.

On March 4, 1965, Mr. ROBERT JOSEPH BURROS, 215 First Street, Newburgh, New York, advised that he is the International Secretary of the National Renaissance Party (NRP) and as such he is second in its command. He said that a Mr. MADOLE is its National Director. Mr. BURROS said that he is also the Regional Director of the NRP having his headquarters at his mother's apartment located at the above address, 215 First Street, Newburgh, New York. He said that this region covers all of Orange County and parts of Dutchess, Ulster, and Rockland Counties. Mr. BURROS said he is attempting to recruit members and establish the NRP in his region. He said he had been active in the NRP affairs in New York City before coming to the Newburgh area. Mr. BURROS said that he is actually a native of Newburgh, New York. He said that Major DAN BURROS, who was arrested in connection with NRP activities in New York City last year is related to him as a distant cousin.

Mr. BURROS said he is occupied on a small-time basis as Regional Director of the NRP but he is not salaried. He said that both the National and Regional organizations are broke and Mr. MADOLE also operates the NRP from his apartment in New York City. Mr. BURROS said that he has no other employment and he usually has dinner at a lady friend's house in the evening, whom he did not identify. Mr. BURROS said he obtained some money in the past which was paid to him for expenses in connection with personal appearances and speaking engagements and he was allowed to keep this money in order to defray his expenses.

Mr. BURROS said that the NRP is a Facist organization but it operates openly. He said the NRP advocates the use of the ballot in order to win the National Election and take over the Government. He said that after it gains power it would then proceed to change the constitution in an legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

Mr. BURROS said his organization differs with the JOHN BIRCH SOCIETY only in the way in which it would deal with the Communist and those who would seek to destroy our democracy. He said that the

JOHN BIRCH SOCIETY did not advocate the use of militant means in dealing with these individuals. He said the National Renaissance Party after gaining power through the ballot would then resort to militant means which would then be legal in dealing with these individuals.

Mr. BURROS said the National Renaissance Party has no plans which advocate any militant means for obtaining power in this country. He said the NRP only advocates the legal take-over of this government through the use of the ballot.

Mr. BURROS said that he nor anyone in the NRP had any arsenal or weapons of any kind.

Mr. BURROS said that when NRP members were arrested in New York City last year in connection with their having weapons in their possession that this event occurred because the owner of the truck in which the NRP leaders were riding had left an old rusty air pistol and a crossbow in the back of the truck which were both incapable of being fired. He said the NRP leaders who were riding in the truck had no knowledge that these items were being carried in the truck at the same time. He said that these weapons were absolutely incapable of being fired and were the personal property of the owner of the truck who was a member of the NRP but who was an irresponsible individual who had caused this incident.

Att.: Agent [redacted]

Gentlemen:

The UE has been participating in NLRB hearings at City Hall Council chambers these afternoons as per enclosed newspaper clipping. I will try to attend this hearing this afternoon. You may want to attend. I don't know how long these proceedings will continue.

As you know, the American Civil Liberties Union has been giving me legal assistance in my struggle to obtain public facilities for an AMERICA FIRST Rally.

There are some top "American" COMMUNISTS on the executive staffs of the ACLU, and it is my duty to inform you of their names:

On ACLU National Committee:

Aubrey Williams (Alabama)
J. Robert Oppenheimer (N.J.)
Alexander Meiklejohn (Calif.)
Emil Mazey (Mich.)
Melvyn Douglas (N.Y.)
Roger N. Baldwin (N.Y.)

ON ACLU BOARD OF DIRECTORS:

William Kunstler
James Farmer

Kunstler headed the Commie-run "Workers Defense League". Farmer belongs to as many Commie fronts as Martin Luther Coon, I mean King. Aubrey Williams has been heaped with praise for years in the "Worker". Emil Mazey is the pro-Red union guy appearing frequently at mid-West red rallies. Meiklejohn is a "prof" making similar appearances.

Hoping that you can put this information to highly-effective use.

Sincerely yours,

Robert Joseph Burros

NATIONAL RENAISSANCE PARTY
IS-X; RACIAL MATTERS
(OO; NEW YORK)

ReNYlet to Director, dated 9/29/64.

Relet advised the Bureau that inasmuch as all activities of the National Renaissance Party (NRP) had ceased and it appeared unlikely that it would ever be reactivated, there would be no further investigation of the NRP by the NYO.

For the information of the Bureau, the NYO has re-opened captioned case because it appears that JAMES H. MADOLE, former leader of the NRP, might be attempting to reactivate the NRP.

In connection with this possible reactivation, it is noted that the NYO is in receipt of hate-type literature bearing the return address of JAMES H. MADOLE, 10 West 90th Street, NYC, which literature had been mailed unsolicited to numerous individuals. This literature is self-identified as being published by the NRP and it is identical with the literature utilized by the NRP for the past two to three years.

It is further noted that [redacted]

[redacted] According to information being furnished by [redacted] MADOLE is attempting to reactivate the NRP.

The NYO has re-opened a case file on [redacted] CS-R who is still believed to be [redacted] will be recontacted with a view to developing her as a CS-K in connection with the activities of MADOLE and also the NRP.

The Bureau will be kept advised of the status of the reactivation of the NRP.

Who Is the Real Enemy?

The smug, self-satisfied American, constantly reminded of his million-dollar school buildings, deluged with literature and "information," ignorantly believes he knows what is happening in this crazy, mixed-up world in which we live today. The mysterious powers controlling this barrage of propaganda try to keep the American people occupied with sex, sports, and something-for-nothing, yet we see daily that some sinister invisible power is dragging our great nation down, down, down.

IS EVERYTHING ALL RIGHT?

While we are taxed as no other people in history, we are daily reminded how virtuous we are to submit to this ever-increasing legal robbery. We see our bankrupt Federal Government generously handing out lavish gifts and vast domestic subsidies, which seem to create only further excuses to justify more and more crushing taxation and Federal seizure of all power.

We have been forced to fight three bloody wars for which our nation gained nothing but gigantic debts and victory for World Communism. We are being mysteriously conquered by the Illuminati House-of-cards, that is struggling desperately just to maintain its frightful oppression over some billion most unwilling subjects, who could be easily aided to overthrow their hated Red Masters. Yet our government squanders the fabulous monies, which it extracts from us in the name of defense, only to aid Communism to swallow the world!

We are daily subjected to movies, television programs, and literature that continuously belittle the strong, intelligent White Man and glorify the weak, the effeminate, and depraved, the Jew, and the Negro.

We are frequently told that the magnificent White Race that created modern civil-

ization is doomed to subjection by the unimaginative, complacent, docile coloreds, whom we could easily *exterminate in toto* if we so had a mind.

WHY?

Who has decreed that the greatest people in the world should just lie down and die? These questions have been seriously investigated by a dedicated and intelligent handful of inquisitive patriots who refuse to believe that they must submit without a fight to degradation, mongrelization, and slavery in its most hideous form.

The reasons behind all these illogical "bunglings" always stem ultimately from the same source, the fantastic conspiracy of an alien minority to persuade the rest of humanity to enslave and destroy *each other!* This exceedingly clever, diabolical scheme is rapidly approaching complete achievement, and YOU are in dire peril. THIS IS RACE WAR TO THE DEATH!

JEWISH RACIAL DISCRIMINATION

You are continuously cajoled that *race is a myth*, yet the Jewish Race who bombard you with this stupendous lie deny it in their *every act!* There has never in all history been such a bigoted, race-conscious group — their every act from cradle to grave is guided first, last and always to preserving and advancing the Jews at the *expense* of all others.

Do they integrate? Do they practice brotherhood toward you? Do they aid needy Gentiles with the fabulous *tax-free* donations to Jewish "charities?" What Jews do you know who are in need of charity? Their bureau of propaganda, the American Jewish Committee, and their secret police, the Anti-Defamation League, are they *charities?* Why are donations to their trouble-making, hatred and strife-creating NAACP permitted to go *tax-free*?

Did you know that the Jews have cold-bloodedly murdered since 1917 over a hundred million of the best non-Jews trapped in the clutches of their horrible Communism in order to deprive the enslaved Gentiles of all intelligence, all courage, all devotion, and all morality? Did you know they are openly

READ AND PASS ON

discussing forced mixed marriages (White-Negro) ?

Has it ever occurred to you that the Jews fumed and breathed fire and hatred about their Nazi "exterminators" and pushed us into total war to make the world safe for the Jews, yet to your knowledge not one of the many Jews you know ever joined in the bloody fighting against their alleged "liquidators"?

How could the Jews almost to a man escape front-line duty? What mysterious power effected this outrage against the Gentiles? Have you ever stopped to wonder? And while you and your kind were suffering and dying, millions of Jewish "refugees" (*invaders*) poured into this country as though no immigration laws existed, while Gentiles found it almost impossible to come to America. While you fought and bled, the Jews bilked our people out of billions of dollars in crooked war contracts, their "sacrifice on the Home Front"!

THE ROLE OF THE NEGRO

Although the Jews publicly pretend to be champions for the Negro, you should know that they try hard to conceal the fact that they despise the Negro as much as they despise us. Why this sudden interest in the Negro? Because they find the Negro a most useful tool to destroy us. The childish Africans are even more susceptible to their brain-scrambling propaganda than you are, and are completely incapable of leadership.

They are using the Negro for two purposes: to degrade, corrupt, and mongrelize you and your children, and to form a trained-ape Red MauMau Army to protect the Jews in case you wake up before it is too late. They are establishing a cordon of Negro zombies to protect them in Washington, the center of government, and in New York, the center of world Jewry, just in case we wake up before they take our guns away from us.

THE END OF THE WHITE RACE?

The Jews repeat daily that the White Race is on the road to oblivion — that the black savages of Africa, and the pitiful masses of India and China will do away with the White

Man — and you meekly believe it, for no one has ever told you the truth! The time has come to assess the situation honestly!

The European Whites became the dominant force of man because our leaders possessed the intelligence, the imagination, the courage, the energy, the morality to seize destiny in their own hands. Now that we have built a wonderful new world, shall we meekly permit a small band of effeminate pirates to despoil and destroy us? It seems inconceivable, but that is exactly what is happening!

THE ACHIEVEMENTS OF THE MODERN WHITE MAN

The people originating in the island of Great Britain have, with invaluable contributions by the other White Men of European origin, created modern civilization. The Negroes have always been completely incapable of contributing to civilization. The Asiatics almost ceased contributing nearly a thousand years ago. The Jews have contributed only microscopically, despite their fictitious claims.

Einstein and Freud, their most publicized "scientists" were highly imaginative speculators who have contributed more confusion to the orderly progress of science than they have useful knowledge. Salk, after being subsidized extravagantly by the Jewish-controlled Polio Fund, has produced a vaccine of questionable value. Yet the Jewish controlled Press hails them as the greatest scientific geniuses in history.

You poor vilified Anglo-Saxon and Celt, the Jews have yet to produce a Newton, a Dalton, a Darwin, a Lister, a Watt, a Bell, a George Stephenson, a Fulton an Edison, or any Wright brothers. And you good Christians whose forebearers came from the European continent, the Jews have yet to produce a Herschel, a Pasteur, an Arrhenius, a Lavoisier, a Gutenberg, a Galileo, a Leeuwenhoek, or a Marconi. If the Jews are so smart, then why have they not been able to contribute more to modern civilization?

SPECIALIZED PARASITES

A Jew from tender age is trained to be a parasite, a despoiler, and an exploiter of men. He is a specialist in deceit, in trickery,

in exploitation of the "stupid Gentile". Elias Howe devised the sewing machine, but Isaac Singer robbed him of his invention and pocketed millions. Hazel Bishop developed an improved lipstick, but her Jewish "partner" pirated it away from her by tricking her into signing a fraudulent assignment and is making millions. Daguerre, Eastman, Edison and other White Gentiles combined inventions to make the motion picture possible, but a clique of Jewish financiers now own the movie industry, into which so many billions of dollars pour.

The Jews use code words so they can talk freely in front of "stupid Gentiles" without letting their intended victim know their intentions. Taking the Biblical story of how Jacob defrauded Esau out of his birthright, they brag that they are the dishonest Jacob (The Voice) and we are the defrauded Esau (The Hand)!

HOW ARE THEY DOING IT?

The Jews long conspired on the principle that through control of the purse they could rule the world, but to their sorrow they learned that after they had bought control in a country, its infuriated king would forcibly eject the unwelcome "vermin". So the Jews conspired to remove the rulers of all countries and turn government over to the brainless mob, which the conspirators found much easier to dupe, (Democracy).

At a meeting in 1870 Jewish leaders decided that, since they were always expelled when the Gentiles realized what happened, they must keep their victims in complete ignorance of what was happening — the Jews must gain absolute control of the Press!

CONTROL OF THE PRESS

With their unquestioned domination of European finance they readily accomplished this goal in Europe. Next they invaded the United States, since this country by then had been made safe and comfortable, and they set to work like termites to undermine us.

As we developed such new media of communication as radio, motion pictures, and television, the Jews stepped in with their su-

perior financing, their ruthless piracy, and Jewish discipline (*they* are ruled with an iron hand) and took possession of all means of mass communication. They proceeded in deadly earnest to scramble our brains, corrupt our morals, and prepare us for slavery.

CREATED DEPRESSION TO SEIZE POWER

Through their complete dominance of "Wall Street" they broke the stock market in October, 1929, by unloading their vast holdings of stocks and bonds. By withholding billions of dollars from circulation, they threw the economy of this country into utter chaos. As they have done often, they created a disaster and then obligingly offered to save us — for a price — *the price of our Constitutional Government*, which they have completely destroyed.

"Miracle-man" Roosevelt was actually an arrogant front-man, who was obliged to have Sam Rosenman even write his speeches and who, following the orders of his Jewish bosses (Bernard Baruch, Sidney Hillman, Felix Frankfurter, Henry Morgenthau), convinced us that we could no longer take care of ourselves. We have now been degraded to a despicable caricature of our strong, brave, self-reliant, thrifty, moral ancestors. Be honest with yourself, are we not?

INVISIBLE ENEMY

We are taxed far past the point where *all* other people of the world have revolted! And we raise not a finger, because we do not even know against whom to revolt! We let the Jews slander, ridicule, and vilify us daily, while we are not even allowed to hint that any Jew could possibly do wrong. Has any Jew ever been sent to the penitentiary for the billions of dollars of income taxes we know they have evaded?

We let the Jew destroy all our real leaders who could lead us in a revolt against Jewish World Enslavement. What do you think happened to Charles Lindbergh, Sen. McCarthy, Rep. John Rankin, James Forrestal, Gen. Moseley, Gen. Douglas MacArthur, Sen. Wheeler, Larry Duggan, and Gen. Patton? They each tried to combat the Jewish Con-

spiracy, which many people still naively believe is Russian "Communism."

SUPPRESSION OF THE TRUTH

Why are patriotic American newspapers unable to print the truth about the *Pharisaic Conspiracy*? First, because all newspapers depend, for National and International news, on the Jewish-censored wire services. Second, in less than an hour after a paper telling the truth about the Jewish chicanery hits the street, raging representatives from the B'nai B'rith will have the luckless editor backed up in a corner threatening to withdraw permanently all Jewish advertising (most of the paper's revenue), cancel all Jewish subscriptions, cut off his supply of paper (they now have a monopoly on this item), deny him recourse to Jewish financing (which now enjoys a strangle-hold in an ever-increasing number of cities), and call a strike through Jewish-controlled labor unions. Any reporter who writes the truth about the Jews is fired and his story "killed."

LET US PREPARE OUR DEFENSES

Where, oh where, are *our leaders* to take us out of the impending Red Hell? All the well-known ones have been destroyed by the Jews, with the generous aid of countless Gentile *trained stooges*. If the White Gentiles are to save themselves from being herded to the slaughter like docile sheep the time is long overdue to organize for the fight *against our real enemy*.

Learn who our enemy is, and how he intends to make you fight for your own enslavement! Learn what is happening to our unhappy world. Subscribe to publications which will tell you the truth. See that the uncensored facts are spread far and wide. Contribute your time and your money generously to *Patriotism — this is the only investment, the only charity now that counts!*

When you become fully alerted to the awful danger descending upon us, you will want to join us in organizing *secretly* for the fight to decide whether or not we have the right to exist on this earth as *human beings!*

If we are so demoralized, so stupid, so de-

praved as not to care, then we shall pay the awful penalty against this most hideous crime against our forebearers and our posterity — *our race of people will disappear from the earth!*

If we can liberate our country from the deadly clutches of the Pharisaic vultures, Communism throughout the world will fall, along with its architects, like an over-ripe apple. The enemy capital for many years has been *New York*, not Moscow.

STOP JEWISH BARBARISM!

All through history the Jewish race has been known for its savage massacres. From the time of Ahashuerus through the present day the Jews have been directly responsible for the deaths of over 200,000,000 human beings, a great number of whom were Christians.

The combination of the evil Jewish mind and satanic Jewish "religion" makes the Jew a sadist by his very nature. He is not content unless he is inflicting misery, suffering and torment. The facts show that the most vicious atrocities against mankind have been committed by Jews. These statements are clearly documented in Arnold Leese's book, "*Jewish Ritual Murder*."

The Jew has never founded any civilization, though he has destroyed hundreds. He possesses nothing of his own creation to which he can point. Everything he has is stolen. Foreign people, foreign workmen build him his temples; it is foreigners who create and work for him; it is foreigners who shed their blood for him. He has no art of his own; bit by bit he has stolen it all from other peoples. He does not even know how to preserve the precious things others have created. . . . In the last resort it is the Aryan alone who can form States and set them on their path to future greatness. All this the Jew cannot do. And because he cannot do it, therefore all his revolutions must be international. They must spread as a pestilence spreads. Already he has destroyed Russia; now it is the turn of Germany, and with his envious instinct for destruction he seeks to disintegrate the national spirit of the Germans and to pollute their blood."

INTEGRATION

Negro Mac Macintosh kisses white wife.

Mrs. Macintosh with horrible looking mongrel child.

INTEGRATION, DEGENERATION, MONGRELIZATION call it what you will is the Deliberately Forced Social Association of White People and Racially Inferior Negroes the purpose of which is Racial Intermarriage and the production of a Race of Simple Minded, Docile Mulattoes who will be obedient to their Jewish Masters.

To further their Diabolical Ends it was decided by the International Jewish Hierarchy that as the White Race would not consciously destroy itself - OUR WHITE CHILDREN WERE TO BE BRAINWASHED. The Forced Transfer of Our Young White Children to 'Schools' in Crime Infested Negro Jungles of Fear is deliberately being done with the Knowledge that these Impressionable Young Children will pick up the Delinquency, Sexual Promiscuity and Narcotics Addiction Habits which abound where ever the Culturally Inferior Negro Lives.

- Thus Brainwashing Our Young White Children into accepting the Inferior Savage-Like Negro as equal and accelerating the delivery of our Once Great and Proud White Race and Nation to the Pagan Altar of International Jewry.

Trenton, Dec. 18 (AP)- Judge Sidney Goldmann of the Appellate Division of Superior Court today declared New Jersey's neighborhood school law flexible enough to permit shifting of pupil assignments to combat racial imbalance.

Don't Support the Preachers Who Support the Rumford Act

The social program of the National Council of Churches and that of the Communist Party are now largely the same. The California churches shepherded by the pro-Rumford Act preachers support the National Council of Churches. The preachers have adopted numerous social policies first advocated by the agents. The churches of these preachers pay no taxes to help support the welfare relief load which a colored invasion increases, and yet they favor forcing integration by Rumford Acts and by busing white children into Negro areas to balance the races. Don't support these preachers with your money.

If not checked, the unwed colored mothers on relief will soon produce a permanent imbalance—until the Whites are absorbed.

Not Only Treatment But the Quality Of the Treated Is a Factor

A characteristic of the body of a parent acquired through use, such as strength of arm or education of the brain, is not inherited by offspring. There is no mechanism for the transmission through the genes of an environmentally produced modification of a part of the body of the parent to the same part of the body of the child. An educated brain does not send a picture of itself or telephone instructions to the gene stream for reproduction in the next generation.

Education alone, therefore, cannot increase the capacity of the Negro to be educated for moral and intellectual achievement. Strict selection of the more intelligent as parents through a thousand generations would be required to change the Negro brain to equal that of the white man.

Heredity determines capacity for culture; culture has no effect on heredity.

A good man may carry bad seed. That

there is no bad seed, that seeds of the individuals of a species are all equal is a Communist dogma, known as Lysenkoism, which the pro-Rumford Act Christian preachers, though they may deny in words, accept in practice. They lead their followers via taxation to subsidize the more rapid reproduction of colored people.

Whoever believes that the different races are equal should compare Europe with Africa, and the parts of Africa where Europeans are or have been in control with the areas where there are no Europeans.

Equality for unequal achievement is injustice.

If religion is whatever prevents the free exercise of the intellect, racial equality (blind brotherhoodism) is today the world religion, and telling the truth of racial differences is the supreme blasphemy.

If the levelers, the anti-discriminators, are not defeated, they will destroy quality. Under the leadership of the pro-Rumford Christian preachers and Communist agents, the white race cannot be saved from absorption by the already more numerous and more rapid-breeding colored masses.

Most of the Whites campaigning against repeal of the Rumford Act, against Proposition 14, live in segregated areas; when Negroes move in, they move out, hypocritically shouting as they run, "Justice!", "Humanity!", and "Decency!", and "Down with Hate, Bigotry, and Bias!".

Preferring one's own kind as neighbors and associates has not heretofore in America been declared a criminal act.

You hear about NEGRO COMMUNITY, a racist organization supported and defended fanatically by Negro church leaders; you hear of JEWISH COMMUNITY, also a racist group fanatically defended by Jew Rabbis...but where the hell is the ANGLO-SAXON & GENTILE COMMUNITY! The White Christian racial group...did our meally-mouthed, snivelling, servile, brainwashed church leaders--the Cardinals and Bishops abandon our race--have these Jewized, sickening church leaders emasculated the White people and rendered them helpless...?

Christian Preachers and Communist Agents

Oppose the Repeal of the Rumford Act

Private property is the basis of Freedom. Without it there is no effective resistance to domineering government officials.

Denying a citizen the legal right of freedom of choice in the sale or renting of houses or apartments largely deprives him of ownership—except in the paying of taxes.

The Real Issue

That racial differences are not at issue in this repeal contest is a transparent pretense.

The Rumford Act makes blockbusting easy for undesirable types. Once they gain entrance, property values sharply decline.

Family busting will follow—as soon as the preachers and the agents train the Whites to accept it.

When Negroes enter a community, their percentage on the welfare rolls soon exceeds that of the Whites; and, through geometrical increase in more rapid reproduction, especially of unwed mothers on relief, they eventually overcome and absorb the Whites.

A few preachers and agents mildly oppose the begetting of illegitimates; they are silent concerning the low quality of the begotten—an evil of far greater social consequences.

On taking over a white residential area, Negroes convert it into a slum. Such people cannot maintain a civilization; they can only destroy.

The immigration of Negroes into white neighborhoods from slums, which they have made, will not solve the problems of the slums but will create new problems for their new neighbors: cries will arise—"More police!", "More lights!", "More locks!"; and when the sun is down, Fear shall freeze them to their homes. Crimes of violence will increase.

The percentage of Negro criminals is proportionally several times that of Whites, especially in crimes of violence — assault, robbery, rape, and murder.

In most interracial crimes, the victim is lighter than the criminal. The pupils in the difficult schools in our large cities, those who have been expelled from the regular schools for anti-social conduct, are nearly all colored.

It is social madness to let loose among civilized people a rapid-breeding people mentally qualified for jungle life. Indiscrimination inevitably debases the better human types.

Most Negroes of distinction are mulattoes more white than black. When next you read a news item of a "Negro" appointed to high office, illustrated with his picture, see for yourself.

Don't let the Christian preachers and the Communist agents train you to feel guilty of the crimes of your ancestors, to feel responsible for the slave trade and slavery. (Most of the Blacks brought to America would have suffered a worse fate in Africa. Some of them would have been eaten by cannibals and their women and children would have been traded as livestock, as is done to this day in the areas where there are no Whites.)

Civilized nations do not in their laws accept the barbaric dogma of inherited guilt now propagated by the preachers and the agents.

Don't enforce blind love by law. Stop compelling men to do the good from which evil comes. Cease ignoring percentage records of groups as guides to the probable behavior of a member. Judge others, lest ye regret. Consider probable social consequences.

Guilt preaching and conditioning against judging are powerful weapons of conquest of the gullible Whites.

GREATER NEW YORK LABOR PRESS CLUB

A source advised on December 6, 1962, that the Greater New York Press Club (GNYPC) was formed during February, 1961, by LOUIS WEINSTOCK when he was the General Manager of "The Worker" by obtaining members who would contribute funds, subscribe to and work for "The Worker," and also to hold social and cultural affairs.

The source stated that in the spring of 1962, JAMES LUSTIG was the Business Manager of "The Worker." LUSTIG announced at a press club meeting at Adelphi Hall, New York City, held on April 26, 1962, the formation of a new press club known as the "City Press Club Executive Board" (CPCEB). The purpose of this new club was to coordinate the work of all the borough press clubs in the New York City area; to strengthen the work of the press clubs; to organize new press clubs; and to draw in people who were not members of the Communist Party, United States of America (CPUSA). The source stated that the basic purpose was to raise funds for "The Worker" and increase the circulation of that publication. Persons not members of the CPUSA could be members of the new club, but leadership in the club was limited to members of the CPUSA. The name of the CPCEB was later changed to "Greater City Press Club" (GCPC) which club became the successor of the GNYPC.

The source continued that in July, 1962, LOUIS WEINSTOCK again became General Manager of "The Worker" and the GCPC again became known as the Greater New York Readers' Club, Greater New York Readers' Clubs, Greater New York Readers' Conference, Greater City Press Club and the City Press Club, by personnel responsible for preparation of notices and literature regarding meetings and activities of the clubs. The source advised at that time the GNYPC had no office or headquarters and used the mailing address of "The Worker," 23 West 26th Street, New York City.

"The Worker" is an East Coast Communist newspaper.

The second source advised on August 15, 1962, that the Greater New York Readers' Club was formerly known as the "Three Boro Readers' Club."

APPENDIX

GREATER NEW YORK LABOR PRESS CLUB

The first source advised on May 28, 1963, that the GNYPC holds no membership meetings and that the officers had ceased to function for the GNYPC. The source advised that LOUIS WEINSTOCK was responsible for using the name of the GNYPC in conjunction with the activities of the Readers Conferences at "Worker" functions. The organization of the GNYPC no longer functions.

The first source advised on April 21, 1964, that, on March 31, 1964, about 50 members of the CPUSA met at the Hotel Woodstock, 127 West 43rd Street, New York City. At this meeting, JOE BRANDT, the Business Manager of "The Worker," advised that, after consultation with the Editorial Board and other officials of "The Worker," it was decided to rebuild the GNYPC and to rename it the Greater New York Labor Press Club (GNYLPC). Those present at the meeting, without a dissenting vote, approved this decision.

A third source advised on April 29, 1964, that on the same date ERIC BERT, Managing Editor of "The Worker" said that the GNYLPC is a group of individuals who, as volunteers, help support "The Worker" and aid in its distribution and circulation.

NATIONAL RENAISSANCE PARTY

On July 16, 1963, a source stated that the National Renaissance Party (NRP) is an anti-semitic, anti-Christian, anti-Negro, and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949, by JAMES H. MADOLE, who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated NRP activities and propaganda are clearly subversive and un-American.

On July 30, 1964, [redacted] Bureau of Special Services, New York City Police Department, advised that all activities of the NRP have ceased and apparently will not resume for some time since JAMES H. MADOLE is presently serving a two year sentence imposed on him on July 16, 1964, on a charge of riot.

SUBJECT: *National Renaissance Party*

SUBVERSIVE ORGANIZATION CHARACTERIZATION
IS -

The deadline for this project is May 21, 1965.

Pursuant to instructions set forth in Part II, Section 4, pages 21-23, of the Manual of Rules and Regulations, the NYO must submit annually by June 1st certain information concerning the characterization of organizations.

The above-captioned organization is among those organizations on which a characterization has previously been submitted and should be brought up to date, or one on which a characterization should be submitted.

SA [redacted] #43 is assigned to review the existing characterization on captioned organization to determine if the characterization is current, or to review the case file and prepare an original characterization where none exists.

All characterizations should be rewritten to reflect current status of the organization and should be clear and concise. They should reflect date organization formed; its aims and purposes; subversive initiation, domination, or control; and current status. Information in the characterization should be attributed to "a source" and no "T" symbols nor evaluation of the sources should be reflected in the characterization. The identity and evaluation of the sources used should be reflected at the end of the characterization under the heading "Sources," with sufficient spacing to indicate it is not part of the characterization.

Characterizations of organizations will fall in one of the following categories:

- (A) Organizations which have become defunct since June 1, 1964.
- (B) Newly formed organizations which are pending and concerning which insufficient information exists as yet to prepare a characterization.
- (C) All active organizations on which characterizations are being submitted for approval.

If the case you are reviewing for this project falls in category "A" merely submit a memorandum for file, with a copy for the subversive organization file (100-90311), reflecting Bureau file and date characterization submitted to Bureau reflecting organization is defunct. If the organization is newly formed, submit a memorandum for file with a copy for the subversive organization file (100-90311) reflecting Bureau file and a statement reflecting information set out in category "B". These memoranda should be forwarded to SA EVERETT K. DEANE, Section 41.

If the organization falls within item "C" then prepare an up-to-date characterization, except in those cases where a current characterization has been submitted since April 1, 1965. In the latter case, merely submit a memorandum as above, reflecting date characterization submitted and Bureau file number.

Pursuant to current Bureau instructions the up-to-date characterization must be submitted to the Bureau on letterhead stationery which should be prepared as follows:

The copies to the Bureau will consist of the original and one copy. The copy should consist of only the first page of the letterhead memorandum. If approved, the Bureau will stamp "Approved" on the single-page copy and return it to the NYO.

At the time that you have the letterhead memorandum prepared, also have a 5 x 8 card typed reflecting the name of the organization at the upper left, Agent's name at top center, and the NY file number at upper right. Then have the characterization, identity and evaluation of sources typed on the remainder of the card. Have your supervisor initial the card at lower left corner at the same time he initials the letterhead memorandum for transmittal to the Bureau. The letterhead memorandum with card attached, should be forwarded to SA EVERETT K. DEANE, Section 41, and the letterhead memorandum will then be transmitted to the Bureau by means of a cover letter. The card will be retained by SA EVERETT K. DEANE pending Bureau approval of the characterization.

On 4/23/65 [redacted] who has furnished reliable information in the past, advised that ROBERT BURROS, 215 First St., Newburgh, New York, is an officer in the National Renaissance Party (NRP) and provides a meeting place for JAMES H. MADOLE, NRP leader, in the Newburgh area whenever MADOLE visits there.

The source advised that WILLIAM HOFF, the reputed leader of the National States Rights Party (NSRP) in the New York area has been inactive of recent months. The source advised that HOFF has no real NSRP organization in the New York area and that the NSRP in NYC is actually a one-man organization consisting of WILLIAM HOFF. The source further stated that here has been no evidence of "The Thunderbolt", the official NSRP publication, in the NYC area for months, and obviously HOFF has been inactive since his main function in the past has consisted of distributing the publication.

GEORGE LINK, DAN BURROS and some other people, names unmentioned were there. At about 3:00 the picket line started. A man volunteered to march with the NRP for a while. He carried a sandwich type sign saying "down with Communism" and having attached to it several small American Flags. BOB BURROS, JOHN RYAN and JOE RUDDEN were yelling out slogans. Dear Sir:

Enclosed is material which has been sent to me through the mails and which is quite unwelcome. I have spoken to the Postal Inspectors to see what could be done about the mailing of such hate-filled material through the mails but they tell me that there is little than can be done against the mailers legally. They suggested, however, that your office would be the appropriate place to send this material for inspection. I hope that something can be done to stop the mailing of this vicious material.

Very truly yours,

DATE: 6/15/65

FROM : SA [redacted] (#43)

SUBJECT: NATIONAL RENAISSANCE PARTY
RACIAL MATTERS

On 6/15/65, [redacted] Bureau of Special Services, NYCPD, advised SA [redacted] a meeting was held at Town Hall on 6/14/65, sponsored by right wing groups including the American Opinion Books Club, Christian Crusade and John Birch Society. This meeting was held from approximately 8:30 p.m. to 11:00 p.m. [redacted] stated his report did not reflect whether admission to this meeting was free or paid, but he believes it was paid. Before the meeting began from 7:30 p.m. to 8:30 p.m., two members of the National Renaissance Party distributed leaflets. Bureau of Special Services did not have copies of these leaflets.

At about 8:30 p.m., JAMES CORBETT, of the John Birch Society, opened the meeting announcing that its purpose was to "awaken America to the day's Communist threat". SAMUEL BLOOMFIELD, John Birch Society, also spoke.

BILLY JAMES HARGIS, Christian Crusade, was the main speaker. HARGIS stated he had uncovered the "bombshell of the decade" which was a secret plan to establish world government through disarmament. HARGIS stated that a clergyman in California had referred BILL MANAHAN, a former employee of North American Aviation, to him (HARGIS). MANAHAN, during his employment, had uncovered a contract, #49638M 1411, between the Air Force and North American Aviation, California. This contract

Burros drops suit on courthouse use

GOSHEN

The National Renaissance Party's Supreme Court action against the Orange County Board of Supervisors to obtain use of the Newburgh courthouse on Aug. 6 was withdrawn Wednesday.

In letters to the court and to County Attorney Thomas R. Hadaway, Melvin L. Wulf of the American Civil Liberties Union asked the petition to be withdrawn because his client no longer wishes to use the courthouse.

Wulf had filed the petition on behalf of Robert J. Burros of Newburgh, former national organizer, secretary, and regional NRP director.

The petition followed two unsuccessful attempts by Burros to secure use of the Newburgh courthouse for meetings on April 29 and May 28. Burros's request for the April 29 meeting was first denied by the building superintendent, Smith Barnes, and affirmed by a 30-4 vote of the board of supervisors.

Burros's suit had been filed before Wulf or Burros learned of the June 11 supervisors resolution which forbade use of the two courthouses by other than recognized political parties or agencies of federal, state, or local governments.

No mention was made by Wulf Wednesday of Burros's plans to hold the meeting in another place in Newburgh.

Burros was unavailable for comment.

The National Renaissance Party, like the equally radical American Nazi Party, is strongly anti-Semitic and anti-Negro.

NEW YORK CITIZENS COUNCIL
RACIAL MATTERS

Re memo 7/13/65.

The contemplated demonstration referred to in referenced memo was covered by SAs [redacted] and JOSEPH T. QUIGLEY.

A small number of men gathered near Congressman LINDSAY's office at about 11:40 a.m., prepared to demonstrate. They were seen talking to a police sergeant and at about 1 p.m. they dispersed. JAMES MADOLE was interviewed in front of television cameras during this time.

SA QUIGLEY discussed the situation with Police Inspector [redacted] on the scene. He stated that they were able to persuade the demonstrators to postpone their activities to another date out of consideration for LINDSAY who was at that moment burying his sister.

After most of the demonstrators left, MADOLE and two uniformed men waited for the television people to arrive and after the interview, they left.

Inspector [redacted] stated that ERIC RITTER, 36 W. 74 St., of the National Renaissance Party was present. Also present, he said, was ROBERT BURROS of 39-29 58 St., Woodside, who claimed he left the N.R.P., remains friendly to it, but has started up his own group called the Independent Patriot Party which he is operating from his home. *Lindsey*

The National Renaissance Party

On July 24, 1965, a Special Agent of the Federal Bureau of Investigation observed a demonstration sponsored by the National Renaissance Party (NRP) between the hours 12:00 PM and 2:00 PM at 9 East 42nd Street, New York City, the campaign headquarters of New York Mayoralty candidate, John V. Lindsay.

A characterization of the National Renaissance Party appears in the appendix attached hereto.

Three male pickets wearing NRP uniforms and a female picket were led by NRP National Director, James H. Madole, who wore a suit.

The pickets carried placards which read:

"Blacks For Lindsay, Whites For Buckley"

"Join the NRP To Fight Communism"

"Mr. Lindsay Did Your Children Attend An Integrated School"

Madole distributed handbills, a copy of which is attached.

There were no incidents and no arrests during the picketing. A crowd of approximately 50 persons observed the demonstration.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

APPENDIX

NATIONAL RENAISSANCE PARTY

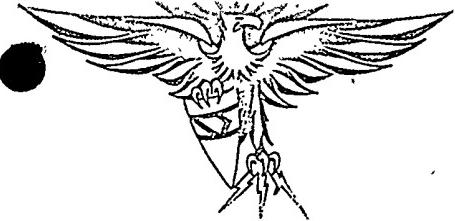

On July 16, 1963, a source stated that the National Renaissance Party (NRP) is an anti-semitic, anti-Christian, anti-Negro, and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949, by JAMES H. MADOLE, who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated NRP activities and propaganda are clearly subversive and un-American.

On July 30, 1964, [redacted] Bureau of Special Services, New York City Police Department, advised that all activities of the NRP have ceased and apparently will not resume for some time since JAMES H. MADOLE is presently serving a two year sentence imposed on him on July 16, 1964, on a charge of riot.

JOHN LINDSAY IS A POLITICAL TOOL OF WELL ORGANIZED RACIAL MINORITY GROUPS!

HOW ABOUT SOME "CIVIL RIGHTS" FOR WHITE AMERICANS?

1. John Lindsay, like his Democratic opponent, favors a CIVILIAN REVIEW BOARD to politically emasculate the heroic efforts of the New York Police in maintaining the rule of law and order. This diabolical plan was originated by the Communist Party in 1935 to hamper law enforcement in American cities marked for violent revolutionary activity. Negro agitator, Martin Luther King, who attended a Communist-training school (the Highlander Folk School in Monteagle, Tennessee) is planning a series of mass demonstrations in New York City this summer. OUR REPUBLICAN POLITICIANS INTEND TO PLACE NEGRO AND JEWISH AGITATORS ON THE "CIVILIAN REVIEW BOARD" TO INSURE THAT "CIVIL RIOTS" THUGS AND BEATNIKS DON'T GET ARRESTED.
2. The "CIVIL RIGHTS" agitators demand that American Labor Unions see to it that Black workers replace White workers "in compensation for 300 years of slavery". White workers shall lose their hard won seniority rights in their own unions and be forced to surrender their jobs to hordes of Black laborers backed up by the Democrats and Republicans.
3. Millions of White Americans are being displaced from their old, low rent homes in New York City and compelled to move into forcibly integrated, low rent public housing by our Democratic and Republican politicians. These White citizens have been terrorized by Negro muggers, rapists, and narcotics addicts who share these collectivist housing projects with their White neighbors. Human excrement and urine are found periodically in the elevators which are unsafe for use if self-operated. Our major parks, subways and public thoroughfares have been turned into nightmare regions at nightfall BUT LINDSAY AND HIS DEMOCRATIC OPPONENT DARE NOT TAKE ACTION TO PROTECT WHITE AMERICANS FOR FEAR OF LOSING JEWISH AND NEGRO VOTES!
4. WE URGE WHITE AMERICANS TO VOTE FOR THE CONSERVATIVE CANDIDATE, WILLIAM J. BUCKLEY, FOR MAYOR OF NEW YORK CITY UNLESS THEY WANT TO CONTINUE TO COWER INDOORS AFTER DARK. BUCKLEY IS BY FAR THE LESSER OF THREE EVILS!

Let's give White Americans a chance to support their champions. The National Renaissance Party was created in 1949 under the leadership of James H. Madole. Our basic philosophy calls for the creation of a strong, authoritarian, Racial Nationalist State in the United States whose sacred mission will be to unite the White peoples of this earth into a White Imperium to insure the survival of our creative species. We believe in a government, not by ballot-box political hacks, but by a trained intellectual elite which has arisen by competition from the ranks and loins of our White Race to govern us wisely and well. We demand the right to perpetuate a policy of racial separation for the purpose of preserving the cultural heritage of the White Race and passing it on to our children. We demand a selective immigration policy from European stock which will uplift rather than downgrade the cultural standards of this mighty White nation.

On August 17, 1965, a confidential source stated that the United States Nationalist Party (USNP) continues to be under the control of Luke Dommer and has no actual membership or headquarters. The USNP utilizes Post Office Box 443, Lenox Hill Station, New York 21, New York, as its headquarters address.

The source stated that Dommer completely dominates the USNP and that the USNP becomes active on an infrequent basis upon the decision of Luke Dommer solely for the purpose of picketing in protest of some Communist Party activity. During these sporadic demonstrations, Luke Dommer is assisted by his friends and associates who picket under the name of the USNP.

Re: NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 1st Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

NATIONAL RENAISSANCE PARTY

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal of his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [redacted] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

Venom and Hate by Mail

Is Their Stock in Trade

By ERWIN SAVELSON

Of the World-Telegram Staff

A new deluge of hate mail from a dozen far-out and lunatic-fringe groups is flooding New Yorkers.

The racist newspapers, leaflets and booklets are being mailed from drops in Manhattan, even though the outfits producing them are based principally in the South, Midwest and West.

The flood carries such ditties as:

President Johnson favors "mongrelization" of the races.

Liberal Republicans—like Govs. Nelson A. Rockefeller, William Scranton and George Romney—plan to nominate a Negro for Vice President in 1968.

Catholic and Protestant church leaders have "abandoned" the white race in the civil rights struggle.

Dr. Martin Luther King, Nobel Peace Prize winner, is an out-and-out Red, trained in a Communist school.

Civil rights, disarmament proposals, the income tax, foreign aid and the United Nations are "evils" produced by "the Jewish community."

Inspectors Helpless

Post Office inspectors told the World-Telegram they were helpless to do anything about the flow since the material is mailed first class, adding:

"We cannot do anything about it as long as nothing in-

decent, obscene or malicious appears on the front of the envelope or cover."

One official pointed out: "Hate literature is mailable if it is not libelous or obscene on the face of the cover."

A spot check by the World-Telegram showed the typing on envelopes containing the material is often the same, even to the manner in which they are addressed. This indicates the hate peddlers are using one or two local central mailing drops to reach New Yorkers.

From Many States

The material, in varying formats, is published in New York, New Jersey, Louisiana, Georgia, California, Virginia, Washington, D. C., Florida, Alabama, Missouri and other points.

Envelopes often include a mixture of hate products, indicating the peddlers either exchange material mailed from here or are sending their products to central points here for group mailing. The envelopes are postmarked from Grand Central, Radio City and midtown zones.

For example, the Free American, a neo-Nazi publication, includes pamphlets from the white racist National States Rights Party, as well as its publication, The Thunderbolt."

Editor of the Free American is Dan Burros, who has offices in Manhattan. Burros was among neo-Nazis sentenced to prison in 1963 for starting a riot during a Bronx civil rights demonstration.

Its idol is American Nazi Party fuehrer George Lincoln Rockwell. The Free American boasts of links with fascists here and in London, Stockholm, Copenhagen, Rome, Dublin and even Iceland.

Its latest issue shows a picture of President Johnson dancing with Mrs. Robert Taylor, wife of the vice-chairman of the President's Committee on Equal Employment Opportunities. The caption reads: "For the first time in history President dances with Negress. He is actually calling for mongrelization of the two races."

An advertisement offers "Military rifles and surplus articles, lowest prices, fastest delivery."

Minutemen Active

Another mailing tells readers to write to The Minutemen for "Principles of Guerrilla Warfare."

The Councilor, published by the Citizens' Council of Louisiana, has a front page picture which it says shows Dr. King at a Communist training school.

Accompanying The Councilor is material from P.R.A.Y., produced by the Paul Revere Associates Yeoman, H. S. Riecke, Jr., who calls himself the "founder," urges New Yorkers to arm themselves and join The Minutemen. He warns:

Others Named

"If we don't win . . . your wives and daughters will be chattels in Mongolian and African brothels!"

Other racist and hate publications being sent to New Yorkers are:
The National Christian

News sent along by the Nazi James Madole's National Citizens Union; the Renaissance Party newsletter, National Council of Churches, of the White World, of the White Party of America; and neocules, the Rockefellers and Rothschilds as founders of the One of the pamphlets ridicules the Bockefellers and asks:

"Did our mealy-mouthed, sniveling, brainwashed church leaders — the Cardinals and Bishops — abandon our race?"

Hon. Joseph P. Hoey
United States Attorney
Eastern District of New York
Brooklyn, New York 11201

Dear Mr. Hoey:

This has reference to your letter of July 30, 1965, copy attached, concerning material received through the mails by City Councilman J. Daniel Diggs.

We have reviewed the material received by Councilman Diggs and have to advise that it does not constitute any violation of the postal laws. While it is a matter of regret that the mails are used from time to time for the dissemination of matter critical of religions, races and political views, such material does not come within the purview of the postal statutes, particularly when sent under cover as is the case with the mailings received by Councilman Diggs.

Mailings which may be of a subversive nature coming to our attention are generally referred to the Federal Bureau of Investigation, 201 East 69th Street, New York, N.Y. 10021, since that bureau would have an interest in the subversive angle.

In view of the fact that the mailings addressed to Councilman Diggs do not constitute a postal violation, we regret that no action concerning them by this Service would be practicable and there are accordingly returned for any further consideration you desire to give them.

Sincerely yours,

R.J. Hickey

New York City Office

Dear Sirs,

Complying with the suggestion just made to me by one of your men in reply to my telephoned query, I herewith forward literature which I have been receiving of late at the address below.

I consider it unlikely that you do not already know of the existence of the organization described and moreover, it seemed to me so extreme as to suggest that it might even be just another ruse of official intelligence at one level or another designed to attract and surveil people of the type to whom such literature appeals. But on the other hand, as my personal observations have convinced me that there are many more people active in the ranks of the extreme right in this country than there are Communists, it also seemed possible that the Renaissance Party might be legitimate and therefore constituted, in my view, a greater threat to a society which is not (yet) a dictatorship than any other within our own borders. This is why I called. I wished to be reassured that my impulse would be worth the trouble and well med beforehand. Underlined, incidentally, in the closing sequences of the enclosed are, I felt, certain definitions of projected objectives which seemed to me as subversive, ideologically, as you can get.

Sincerely,

L. E. Ritchie

Demonstration
July 24, 1965

Lindsay Headquarters
42nd Street near 5th Ave.

The demonstration began about 12:00 noon ending before 2:00 p.m. There were 3 fellows and 1 girl. The three fellows dressed in uniforms like Hitler's army of Germany. There was one older man in the background about 50 or 55, passing out leaflets. There was about a dozen New York City police standing by to prevent trouble. There was several passersby, shouted angry words at the pickets, but the cops kept them moving. The people working in Lindsay's headquarters went in and out of the building as if there was nothing going on.

Signs read join the NRP, black for Lindsay, white for Buckley. There was about 25 onlookers. The girl in the picket line was about 17-18, the fellow about 18-24 all of the fâlows wore dark glasses, design on uniform was swabstick type. After demonstration broke up they toke off the uniform, jumped into a cab and left.

Gentlemen:

The original of the enclosed was misdirected in the mail and came into our hands by mistake.

We have sent copies to the National Association for Advancement of Colored People and the B'nai B'rith Anti-Defamation League.

We know Madole the head of the National Renaissance Party is known to the police and other "interested" parties. However, cannot something be done to stop dissemination of this "literature" through the mails?

Don't Support the Preachers Who Support the Rumford Act

The social program of the National Council of Churches and that of the Communist Party are now largely the same. The California churches shepherded by the pro-Rumford Act preachers support the National Council of Churches. The preachers have adopted numerous social policies first advocated by the agents. The churches of these preachers pay no taxes to help support the welfare relief load which a colored invasion increases, and yet they favor forcing integration by Rumford Acts and by busing white children into Negro areas to balance the races. Don't support these preachers with your money.

If not checked, the unwed colored mothers on relief will soon produce a permanent imbalance—until the Whites are absorbed.

Not Only Treatment But the Quality Of the Treated Is a Factor

A characteristic of the body of a parent acquired through use, such as strength of arm or education of the brain, is not inherited by offspring. There is no mechanism for the transmission through the genes of an environmentally produced modification of a part of the body of the parent to the same part of the body of the child. An educated brain does not send a picture of itself or telephone instructions to the gene stream for reproduction in the next generation.

Education alone, therefore, cannot increase the capacity of the Negro to be educated for moral and intellectual achievement. Strict selection of the more intelligent as parents through a thousand generations would be required to change the Negro brain to equal that of the white man.

Heredity determines capacity for culture; culture has no effect on heredity.

A good man may carry bad seed. That

WHO ARE THE CULTURE-DISTORTERS? What is their aim and purpose? Read the book the enemy tried to suppress: IMPERIUM by Francis P. Yockey. 640 pages, hard-cover. \$6.00 per copy. Order from: The Noontide Press, P.O. Box 76062, Los Angeles, California 90005.

there is no bad seed, that seeds of the individuals of a species are all equal is a Communist dogma, known as Lysenkoism, which the pro-Rumford Act Christian preachers, though they may deny in words, accept in practice. They lead their followers via taxation to subsidize the more rapid reproduction of colored people.

Whoever believes that the different races are equal should compare Europe with Africa, and the parts of Africa where Europeans are or have been in control with the areas where there are no Europeans.

Equality for unequal achievement is injustice.

If religion is whatever prevents the free exercise of the intellect, racial equality (blind brotherhoodism) is today the world religion, and telling the truth of racial differences is the supreme blasphemy.

If the levelers, the anti-discriminators, are not defeated, they will destroy quality. Under the leadership of the pro-Rumford Christian preachers and Communist agents, the white race cannot be saved from absorption by the already more numerous and more rapid-breeding colored masses.

Most of the Whites campaigning against repeal of the Rumford Act, against Proposition 14, live in segregated areas; when Negroes move in, they move out, hypocritically shouting as they run, "Justice!", "Humanity!", and "Decency!", and "Down with Hate, Bigotry, and Bias!".

Preferring one's own kind as neighbors and associates has not heretofore in America been declared a criminal act.

NRP Again Denied Use Of Building

GOSHEN — On the grounds that the National Renaissance Party is not a recognized political party in New York State, its latest request for use of the Orange County Courthouse at Newburgh for a meeting has been denied.

Smith Barnes, superintendent of buildings and grounds, said today he had informed James H. Madole, New York, national director of the organization, of the denial in a letter dated Sept. 9.

Mr. Madole had asked for use of the courthouse for Oct. 5 and 16.

This is the third rejection for the group by Orange County.

Mr. Barnes, who acted after consultation with Board Chairman Albert C. Howell and County Atty. Thomas R. Hadaway, based his decision on rules laid down by the Board of Supervisors last May for use of the courthouses at Newburgh and Goshen.

Among the regulations is one specifying that, any political party using the buildings must be bona fide. The election law defines a recognized party as one that counted at least 50,000 votes in the last gubernatorial election.

Board Chairman Howell turned down the party's first request in January, and the Board of Supervisors repeated the denial in March.

CHRISTIAN YOUTH CORPS

Asks young Christian Americans of Anglo-Saxon Stock to join us in the fight to save our beloved Nation from the JEW-COMMUNIST CONSPIRACY.

Only the Christian young men of this Nation can save it from the ever tightening Red grip that Satan's Children (International Jewry) are fastening upon us.

Prepare yourselves for this Battle for Christ, when the Christ hating Jews unleash their Red Communist Hordes upon us.

- REMEMBER: That Karl Marx was a JEW, whose real name was Moses Mordecai Levi, the son of a Rabbi. Lenin and Trotsky were also Jews, as are all top Communists.
- THAT: The Russian Revolution was financed by American Jews Jacob Schiff and Felds, owner of Felds Naptha Soap Co. More than 21 Million Christians have died in Red purges since.
- THAT: International Jewish Bankers (The House of Rothschild) promoted World War I and succeeded in getting Christian to fight against Christian until 15,000,000 were killed. The JEWS and COMMUNISM were the only profiteers.
- THAT: U. S. entry into World War II was conveniently arranged by the Jewish Brain Trust that ran the (Rosenvelt, his Dutch Jew name) Administration, to prevent destruction of Communism by Germany.
- THAT: All but one of the Atomic Spys who gave our Atomic Secrets to Russia were Jews.
- THAT: Today Jews control our Government and our money system; And are responsible for all the Racial strife that is tearing the Nation apart by organizing and financing Pro-Communist organizations such as the N.A.A.C.P., C.O.R.E, A.C.T. and The BLACK MUSLIMS.
- CHRISTIAN Anglo-Saxon young men we ask you to join us in our battle against Judaistic Communism. Remember what OUR LORD AND SAVIOUR JESUS CHRIST said of the Jews. "You are Satan's Children and his works you do."

All Athiestic Communism is attempting to do is take control of the World for Satan, and International Jewry is carrying out this plan to the letter.

However, ALMIGHTY GOD is going to give we CHRISTIANS the final VICTORY through his beloved son when he returns. You had better be fighting on the right side or you will be destroyed as will be the Jews, and all other enemies of Christ.

We are BROTHERS-IN-ARMS with the U. S. Each man needs the following basic equipment for GUERRILLA WARFARE OPERATIONS.

1. Any Standard Rifle of at least 30 Cal.
2. One Good Quality Hunting Knife, 6" blade.
3. At least 1000 rounds of Ammunition.
4. Regulation Canteen-holder - webbed belt.

9. At least 500 water purification tablets.
10. Snake bite - and first aid kit.
11. One mosquito bar.
12. One camouflaged waterproof poncho.

This is a basic equipment list that will allow you to operate as an effective Guerrilla Unit.

We shall fight from the fields, from the PLAINS, from the SWAMPS, and from the MOUNTAINS; and although OVERWHELMINGLY outnumbered in men and equipment we shall still be VICTORIOUS for we have ALMIGHTY GOD on our side and at the PRECISE MOMENT his Heavenly Armies will intervene and give us the VICTORY through the TRIUMPHANT RETURN OF HIS BLESSED SON.

Let us remember the words of our late Christian President who was ASSASSINATED by the ANTI-CHRIST JEW-COMMUNISTS, "I am a Berliner", and in the spirit of these brave people let us prepare to defend our CHRISTIAN HERITAGE for ALMIGHTY GOD, for CHRIST, and the NATION.

Inspector I. Bader
Mineola Post Office
Mineola New York

Dear Inspector Bader:

My wife, Louise N. Kemp, received the enclosed letter and material from a James Madole of 10 West 90th Street, New York. As you will note, it's pretty strong stuff.

I have no idea whether Madole is violating any laws or postal regulations in sending such material through the mail. I refer it to you for whatever action you deem necessary.

If you decide to pursue the matter, please do not bring Mrs. Kemp's or my name into it.

Yours sincerely,

Louis F. Kemp

National Renaissance Party

[redacted] Bureau of Special Services, New York City Police Department (BSS, NYCPD), advised on October 12, 1965, that on October 11, 1965, from 7:55 PM to 9:05 PM, the National Renaissance Party (NRP) held a street rally, known as a "Civil Rights for Whites Rally", at 84th Street and Second Avenue, New York, New York (NY, NY).

b6
b7C

[redacted] advised there were approximately 1400 spectators and 8 NRP members in attendance.

At 8:15 PM, Edward Cassidy, NRP member, wearing a khaki uniform, black boots and red armband with bolt of lightning, introduced the first speaker, Bob Burros, an NRP member.

Bob Burros, stated that the NRP is in favor of white racial supremacy which is on the decline because of the "liberal politicians". He further stated that the white man brought civilization to this country. At this point in his speech, the spectators began booing and the rest of his speech was inaudible.

James H. Madole, NRP leader, was the next speaker. His remarks were inaudible due to the poor public address system and catcalls from the spectators.

Among the spectators was a group of approximately 25 members of the Jewish War Veterans who were extremely vocal and chanted "God Bless America". Some unidentified persons shouted at the Jewish War Veterans, "Jews go home", and "Jews destroyed America".

[redacted] advised that tomatoes and eggs were thrown at the NRP speakers by the group of Jewish War Veterans as well as by other spectators.

b6
b7C

[redacted] advised that there were no arrests made by the NYCPD.

The NRP is characterized in the Appendix and all sources mentioned therein have furnished reliable information in the past.

APPENDIX

1.

NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

APPENDIX

2.

NATIONAL RENAISSANCE PARTY

Subsequent to July 16, 1964, all activities of the NRP appeared to have been suspended. As of September 29, 1964, James H. Madole was free on bail pending an appeal on his conviction and sentencing on July 16, 1964. This source advised that the NRP would not be reactivated by Madole who feared that such reactivation might jeopardize his appeal.

On May 18, 1965, [redacted] Bureau of Special Services, New York City Police Department, advised that on May 15, 1965, he had been informed by James H. Madole that his appeal would be heard sometime in early September, 1965. Madole further stated future activities of the NRP would depend on the outcome of that appeal. Should he win his appeal, Madole stated there could be an expected increase in NRP activities. Should he lose, there will not be any activity since he will be sent to jail. Madole stated there will be no real NRP activity until the status of his appeal is determined in September, 1965.

Memorandum

TO : SAC (105-6112)

DATE: 10/13/65

FROM : SA [redacted] (#42)

SUBJECT: NATIONAL RENAISSANCE PARTY (NRP)
IS-X; RM

On 10/12/65, [redacted] Bureau of Special Services, NYPD, advised that on 10/11/65, from 7:35PM to 9:05PM the NRP conducted a street rally at the southwest corner of 2nd Avenue and 84th Street, NYC.

The rally was called "Civil Rights for Whites Rally" and there were about 1400 spectators in attendance with 8 members of the NRP.

At 8:15PM EDWARD CASSIDY, NRP member, wearing khaki uniform, black boots and red armband with bolt of lightning, introduced the first speaker, BOB BURROS, another NRP member.

BURROS said NRP is in favor of white racial supremacy which he said is on the decline because of the "liberal politicians". He said the white man brought civilization to this country. He was drowned out by the crowd.

JAMES H. MADOLE, NRP leader, was next speaker. His remarks were inaudible because of poor public address system and catcalls from crowd which included 25 members of the Jewish War Veterans (JWV) led by JERRY COHEN. The JWV were extremely vocal and chanted "God Bless America".

10 persons from neighborhood shouted at the JWV "Jews Go Home" and "Jews Destroyed America".

Observed among these 10 persons were LOUIS MOSTACCIO and GEORGE LINCKE.

National Renaissance Party

A confidential source, who has furnished reliable information in the past, advised on October 20, 1965, that from 7:30 PM to 9:00 PM on October 18, 1965, the National Renaissance Party (NRP) held a street rally at 84th Street and Second Avenue, New York City.

James H. Madole, National Director of the NRP, was the speaker. During his speech, Madole stated that the Government must change its program which favors organized Jews and Negroes in the United States. As a result the Jews are robbing the people and the Negroes form drunken mobs and riot on weekends. Madole denounced integration on the basis that it breeds mongrels. Due to this mongrelization people are not pure anymore.

According to this source, there were approximately 1000 spectators who booted and hissed and threw some eggs and tomatoes during Madole's speech. There were no arrests or incidents.

This confidential source advised that the following members of the NRP were in attendance at the rally:

| | |
|----------------|--|
| John Ryan | who was dressed in a Nazi-Type uniform |
| Edward Cassidy | " |
| Jim Wagner | " |
| Robert Burros | " |

APPENDIX

1.

NATIONAL RENAISSANCE PARTY

On May 19, 1965, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

On March 4, 1965, Robert Joseph Burros, 215 First Street, Newburgh, New York, advised that he is the National Secretary of the NRP and as such is second in command to James H. Madole, National Director. Mr. Burros stated that the NRP is a fascist organization but that it operates openly. He stated that the NRP advocates the use of the ballot in order to win a national election and take over the government. If the NRP should gain power it would then proceed to change the constitution in a legal way in order to give it the right to use militant means in dealing with those who would seek to overthrow this democracy such as the Communist Party.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated that NRP activity and propaganda are clearly subversive and un-American.

On September 29, 1964, a second source advised that on July 16, 1964, James H. Madole, National Director of the NRP, was sentenced to two years in jail following his conviction on a charge of riot.

CALLING ALL WHITE AMERICANS! BIG OPEN AIR CIVIL RIGHTS FOR WHITES RALLY!

JAMES H. MADOLE, LEADER OF THE NATIONAL RENAISSANCE PARTY, WHO SPOKE TO 5000 YORKVILLE CITIZENS ON MAY 25, 1963 CONCERNING THE IMMINENT DANGER OF A BLACK REVOLUTION IN AMERICA, WAS RAILROADED INTO PRISON WITH SEVEN ASSOCIATES BY CONNIVING NEW YORK POLITICIANS. THEY HOPED TO INTIMIDATE OR PERMANENTLY SILENCE THE ONLY VOICE WHICH DARED TO OPENLY CRITICIZE THE VICIOUS ACTIVITIES OF ORGANIZED JEWS AND NEGROES IN THE UNITED STATES!

MADOLE HAS RETURNED STRONGER THAN EVER AND HIS PREDICTIONS CONCERNING JEWISH AND NEGRO REVOLUTIONARY ACTIVITY IN THE USA HAVE BEEN HORRIBLY BORNE OUT DURING THE LAST TWO YEARS. Americans are terrified to walk their own streets or venture into their own parks after dark. WHO WAS RIGHT, THE INTEGRATIONIST POLITICIANS SEEKING JEWISH AND NEGRO VOTES OR JAMES H. MADOLE?

WE URGE WHITE AMERICAN PATRIOTS TO BE ON THE CORNER OF SECOND AVENUE AND 84TH STREET AT 7:30 P.M. ON MONDAY EVENING, OCTOBER 11TH WHEN MADOLE WILL ADDRESS THE PEOPLE OVER A SOUND SYSTEM.

1. Are you aware that while President Kennedy sent 16,000 American troops into Mississippi to force one Negro agitator into the University of Mississippi, a fact which resulted in two deaths, brutal beatings and torture of White Americans by Federal Marshals led by the Jew, Richard Gutman, and a bloody riot on the university campus, NOT ONE AMERICAN SOLDIER WAS SENT BY THE JOHNSON GANG TO LOS ANGELES WHEN BLACK SAVAGES WERE BURNING THE CITY AND COMMITTING ACTS OF ARMED INSURRECTION AGAINST THE STATE?
2. Are you aware that organized minority groups are bringing intolerable pressure upon American politicians to set up a so-called "CIVILIAN REVIEW BOARD" whose membership, composed of the very "CIVIL RIOTS" leaders who are creating a state of anarchy in the USA, will dictate policy to the New York Police Department.

For this reason Police Commissioner Murphy resigned his job in protest knowing that such a "CIVILIAN REVIEW BOARD" would cause the police to withdraw totally their protection of the White population and turn our cities over to the mercy of lawless Negro mobs and Jewish revolutionaries from the Communist Party and the Progressive Labor Movement. These devils are now seeking the removal from office of Police Chief Parker of Los Angeles because he partially frustrated the blood-crazed Black mobs who looted and burned his city.

3. Why do our hypocritical politicians such as Bob Wagner, Richard Nixon, John Lindsay, and Dwight Eisenhower send their children and grandchildren to private, segregated educational institutions while sponsoring laws which force working class Americans to send their children to school with young savages. Jewish teachers plus colored students add up to the reason why young White children can neither read nor write but often become infected with the loose morals and narcotics habits of minority group children and teachers!

HEAR MADOLE SPEAK ON QUESTIONS AFFECTING WHITE AMERICANS TODAY. NO ONE ELSE WILL TELL YOU WHAT YOU WILL HEAR ON MONDAY EVENING, OCTOBER 11TH AT 7:30 P.M. ON THE CORNER OF SECOND AVENUE AND 84TH STREET. BRING YOUR FRIENDS AND SPEAK UP FOR "CIVIL RIGHTS FOR WHITES!"

Read the dynamic periodical of the NRP, the "NATIONAL RENAISSANCE BULLETIN" (\$3.00 per 12 issues). Send for a free sample copy without delay. Whitemen should support the publications which fight for their interests NOT SPEND MONEY ON PUBLICATIONS DEVOTED TO THE DESTRUCTION OF THE WHITE RACE. Write for a sample copy to:

-ocal Nazi — Jewish, too

HELEN BLOOM

Robert Joseph Burros, regional director and organizer of the extreme right-wing, Neo-Nazi, anti-Semitic, anti-Negro National Renaissance Party (NRP) was born Jewish and was at one time a leftist.

Contacted by phone in the party's New York City office, Burros categorically but inconsistently denied any affiliation with the Jewish faith and said his left-wing activities four years ago were done as undercover work for the Federal Bureau of Investigation.

Daniel Burros, Grand Dragon of the Ku Klux Klan in New York and a former member of the NRP and American Nazi Party who apparently is unrelated to Robert of Newburgh, committed suicide Sunday when The New York Times published a front-page story revealing his Jewish birth.

Daniel told the New York Times reporter he would kill him if the story were published. "I'll have to retaliate, do you understand?" he said. "If you publish that I'll come and get you and I'll kill you. I don't care what happens. I'll be ruined. This is all I've got to live for."

(Continued on Page 5)

(Continued from page 1)

Confronted with facts dug from past records in Newburgh and Middletown, Robert Burros coolly but categorically denied them, going as far as to give a different birth date than his mother, Marion Burros of 215 First St., Newburgh, gave.

Records at Newburgh Free Academy show Burros attended the school in the 1952-53 school year where his grades were "well above average, quite consistently so." They give his birth date as Nov. 29, 1937; his parents' names as Harry and Marion Burros of 5 Clark St., and his religious affiliation as Temple Beth Jacob of Newburgh -- a Reformed Jewish synagogue.

Rabbi Norman Kahan of the Newburgh temple said Monday that the temple's records were sketchy, but that a bulletin recorded that a Robert Burros, son of Harry, was bar mitzvahed on Jan. 26, 1951. This would be three days less than two months after Burros's 13th birthday -- the age when Jewish boys perform the bar mitzvah ceremony where they declare themselves members of the religious congregation by their choice.

At the beginning of his junior year, Burros transferred to Middletown High School, where he again had an outstanding academic record.

The old Times Herald files show that Burros was graduated from Middletown High School on June 28, 1955, winning the American history prize awarded by the Auxiliary of American Legion Post No. 151 for the highest average grade over four years in American history.

Favors extermination

Although a Jew who, by his Bar Mitzvah became an adult member of the Jewish community, Burros subscribes to the view that Hitler's work of exterminating the Jews should be completed. NRP literature is laced with hate literature like the following:

"Did you know that the Jews have cold-bloodedly murdered since 1917 over 9 hundred million of the best non-Jews trapped in the clutches of their horrible communism in order to deprive the enslaved gentiles, of all intelligence, all courage, all devotion, and all morality?"

The NRP also condemns "sniveling brainwashed church leaders," "integrated" YMCA, YWCA, Boy Scout and Girl Scout camps.

Robert Burros answered the NRP's unlisted telephone in New York City Monday identifying himself as assistant to James H. Madole -- director of the NRP.

"I'm no relation to Daniel Burros," he said, but he admitted knowing him and being a friend of his.

Asked the NRP's policy on accepting Jews as members, Burros replied simply, "Well, we don't." Then he elaborated.

"Daniel is an exceptional case," he said, not realizing the Jew in question was himself. "What we saw in Daniel Burros was his exceptional service," the regional director said.

"He was opposed to this infernal mixing of inferior blacks with superior whites. He was a nationalist, a great patriot. He believed first and foremost in white supremacy."

"We would not have ostracized the lad, if he had talked to us. Once he realized that his true friends were with him and that we judged him by his performance, the lad would have had nothing to worry about and would have been alive today," Burros said.

Denies being Jewish

Then asked if he had been bar mitzvahed himself, Burros denied it. He denied being Jewish. He said he has no religion. He even denied being related to Irving Burros of 6 Sweezy Ave., Middletown, who is Jewish and his deceased father's brother.

A quick check with Mrs. Irving Burros showed Robert's mother "was my brother-in-law's son. I cannot give you information on him because we have had no relations with him for a number of years."

Her husband Irving said he "understands" his nephew is the same one who heads the National Renaissance Party.

Robert Burros tried to disprove the facts presented him by saying there are many men with the same name. He said he was born in Poughkeepsie on Nov. 17, 1933, which would have made him 22 years old when he graduated high school in 1955.

To further identify Burros Rabbi Kahan said the anti-Semite wrote him eight years ago, identifying himself as a man who had been bar mitzvahed in Temple Beth Jacob:

"He wanted to talk to one of our temple organizations, and, at my request, he sent me some literature he had written," the rabbi said. "The pamphlet was on the extreme left wing. Burros himself said he was a socialist and that the pamphlet was submitted in an international socialist competition on world peace."

Rabbi Kahan said he turned all the information and pamphlets to the FBI at the time "because of the extremism in the literature."

Fellow student

This information corroborated a signed statement given to The Times Herald-Record by Ronald Cushing of Middletown.

Cushing said he attended high school with Burros and met him by chance on a New York City street in 1961 where they discussed politics.

"I mentioned that I had voted for President Kennedy in 1960 and he said I was wrong to have done that and that I should have voted for the candidate of the Socialist Workers Party," Cushing said.

"He mentioned Cuba, and this was at a time when the United States had broken off diplomatic relations with Cuba, and he was very critical of the American action against Cuba. He called (Fidel) Castro a great man and liberator. I finally said to him that if he liked that type of government so well why doesn't he move to East Germany or Cuba, or something of that nature. His reply was that he could do more good here."

"I was gathering information as part of my duties with the radical right, which I subsequently turned over to the FBI," Burros explained Monday.

Why did he tell Rabbi Kahan that he was Bar Mitzvahed in Temple Beth Jacob and send the religious leader socialist literature? "That was part of my modus operandi. The whole thing was a cover, an experiment to snare the left," Burros said.

He denied categorically that he was Jewish, that he had ever been inside a temple or synagogue, or that his father was Jewish or of Jewish blood.

Then he launched on an elaborate explanation of two different types of Jews -- still maintaining he had no connection to the faith.

"The khazars," he said, "are full-blooded, half-mongoloid, mongrelized, insidious, sinister Jews engaged in a conspiracy against civilized Christians."

Others, like Daniel Burros, whose ancestors may have embraced Judaism for a period as a religion, were not "khazars," he said, but "pure, white Aryans."

Burros said his mother's father and grandfather were Lithuanian and "violently anti-Semitic." His father "didn't belong to any religion," he said, "but may have adopted a religious attitude at times to please people or relatives."

Rabbi Kahan's records show that Burros's father did belong to Temple Beth Jacob.

"In fact," Burros said, his father had to be a "pure-blooded White Russian because his father's father or his mother's father was a colonel in the Cossacks, a rank that no khazar could have achieved."

"Would the NRP kick him out if they believed this article?" Burros was asked. "They won't believe it," he said, "because they know my loyalty to the principle of white supremacy."

"He's not a Jew," Madole's mother said Monday night when she was confronted with the information. "He certainly doesn't look Jewish and he certainly doesn't act Jewish."

She said the NRP would not have allowed Daniel Burros to continue as a member if they knew of his Jewish birth, but would have continued being friendly with him.

Asked if the NRP would kick out Robert Burros if they did believe this article, she said her son would have to make that decision. "I tell you quite frankly, I do not believe it," she said.

Then her voice changed and she sounded less doubtful. Still, she refused to say whether the anti-Semitic hate group would disqualify its Jewish regional director.

Hate group to file show cause on Newburgh courthouse use

By WAYNE PINES

GOSHEN

The National Renaissance Party (NRP), four-times denied use of the Newburgh courthouse for public meetings, will file a show cause order this week against the board of supervisors and the county officials who have denied the requests.

James H. Madole, national party leader, said in an affidavit that the reason the party has been denied use of the courthouse is the "antipathy with which the respondents regard the views and opinions of the NRP," according to Henry Di Suvero, staff counsel for the New York Civil Liberties Union (NYCLU), which is representing the NRP.

Sole reason

Di Suvero said that Madole stated in his affidavit that the sole reason the board of supervisors passed regulations restricting use of the county courthouses is to deny the NRP "from freely assembling and expressing its thoughts in Orange County, and to harass and hinder the political activities of the NRP."

The anti-Semitic, anti-Negro, Nazi-oriented NRP has been denied use of the courthouse by Smith Barnes, county building and grounds superintendent, Albert C. Howell, chairman of the board of

supervisors, and by the board itself. Also named in the show cause order was Lester J. Roosa, clerk of the board of supervisors.

The first attempts to use the courthouse were made by Richard J. Burros of Newburgh, regional director of the NRP. Burros appeared before the board of supervisors to appeal for the party.

Di Suvero said that Madole had cited the first and fourteenth amendments to the Constitution in his affidavit.

Haven't received it

The order was scheduled to be signed by a Supreme Court justice Monday, Di Suvero said. However, Roosa and Thomas R. Hadaway both said they had not received the order.

Hadaway said that if the order was signed Monday, he might not get it before Wednesday.

The NRP has requested use of the courthouse four times.

The first request in January was for use of the courthouse Jan. 29. A letter received from Howell denied the request with no reason, the affidavit said.

In March, the supervisors, by a vote of 30 to 4, denied the party's application to stage a rally in the courthouse on April 9. Madole requested the use of

courthouse again on May 28, and Howell wrote back saying that this application and all future applications would not be approved by him, the affidavit claims.

In June, the board of supervisors passed regulations restricting the use of the courthouses in Goshen and Newburgh. The resolution permits use only by political parties as defined by election law and for public meetings, hearings, or other functions sponsored by local, state, or federal government.

On Aug. 30, the NRP again requested use of the courthouse, but this was denied by Barnes, who said that the party is not recognized by state election law.

In the affidavit, Madole requested use of the courthouse on an unspecified Saturday evening for a meeting at which several "well-known Americans will discuss issues of public importance," Di Suvero said.

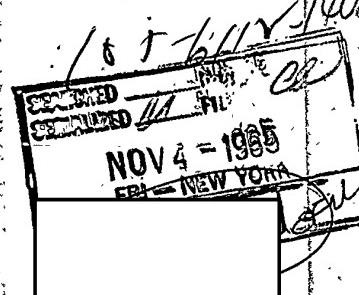

Madole maintains, according to Di Suvero, that the regulations passed by the board of supervisors provide a "prior censorship on speech and on the right to participate in discussions of public importance."

Madole claims that the board has exceeded its jurisdiction and has acted arbitrarily and capriciously, Di Suvero said. The board has also abused its discretion and denied the NRP equal protection under law, he said.

Background Of Burros Reported

Newburgh Free Academy records indicate that Robert Joseph Burros, regional director of the National Renaissance Party, was religiously affiliated with Temple Beth Jacob, Newburgh.

The National Renaissance Party is anti-Semitic and anti-Negro. It has announced its support of "all national regimes, regardless of race, creed or color which seek to liberate their people from the vicious strangle-hold of Jewish finance."

It also supports a policy of "Africa for the black African."

Daniel Burros, Grand Dragon of the Ku Klux Klan in New York and former member of the National Renaissance Party committed suicide Sunday when the New York Times published a report revealing his Jewish birth. He was no relation to Robert Burros.

Robert Burros attended junior high school in Newburgh and Newburgh Free Academy for one year before transferring to Middletown High School in 1953.

His marks indicate that he was a good student. School records show he was born Nov. 29, 1937, the son of Harry and Marion Burros of 5 Clark St., Newburgh. His mother, a widow, presently lives at 215 First St., Newburgh.

Robert Burros could not be reached for comment today on his religious affiliation.

NRP Case Set Dec. 6

GOSHEN—The right of the National Renaissance Party to use the county courthouse at Newburgh may be argued in an Orange County term of Supreme Court at Newburgh Dec. 6, a representative of the party said today in New York.

Jeremiah Gutman, a New York attorney, who represents the New York Civil Liberties Union, said his office has prepared a petition on behalf of James H. Madole, NRP leader.

Respondents are the Orange County Board of Supervisors and Smith Barnes, county buildings superintendent.

Mr. Gutman said he would argue the motion on the petition and might produce testimony if the presiding justice requested it.

The action stems from the county's denial of use of the courthouse to the NRP under a set of regulations established by the Board of Supervisors in June. The county regulations now specifies that the county courthouses at Newburgh and Goshen shall be available for other than court use only to bona fide political parties recognized under the law, and for federal, state or county purposes.

Mr. Barnes denied an Aug. 30 request of the NRP under these rules. The NRP asked for an unspecified Saturday evening for a meeting at the Newburgh courthouse.

The party has been turned down on three previous occasions.

R. J. Burros of Newburgh, then regional director of the party, appeared before the Board of Supervisors in March to request use of the courthouse.

After a speech in which he denounced Jews and Negroes, the board turned down his request by a 30-4 vote.

Neo-Nazi Party Demotes Aide Who Hid Jewish Background

Leaders of the National Renaissance party, a neo-Nazi, anti-Semitic group, voted last night to strip the title of national secretary from a party member who had concealed the fact that his father was Jewish.

But the leaders voted unanimously not to expel him from the party. A third vote, 19 to 1, allowed him to retain his post as party chairman in Orange County.

The meeting, in a one-room apartment at 10 West 90th Street, took up the case of Robert J. Burros of Queens, a tall, blond, 27-year-old organizer for the party. Burros has said that he is no relation to Daniel Burros, grand dragon of the Ku Klux Klan, who committed suicide last Sunday after he read a report in The New York Times detailing his Jewish background.

Following the disclosure of Daniel Burros's Jewish background last Sunday, Robert Burros's Jewish background was disclosed on Tuesday in The Middletown (N.Y.) Times Herald Record.

Robert Burros confirmed that his father is Jewish, after the story said he had a bar mitzvah in Newburgh, N.Y., on Jan. 26, 1951. He told an interviewer that his father had nevertheless always been very critical of Jewish religious practices. His mother, he said, was a "pure Aryan" of Lithuanian extraction. He said she supported his party activities.

According to Robert Burros, it was a coincidence that he and a man with the same last name

Daniel Burros—should meet as members of the Renaissance party. Together they later edited a tabloid newspaper, whose subtitle was "The Battle Organ of Racial Fascism."

The American Jewish Congress, the Anti-Defamation League of B'nai B'rith, the Federal Bureau of Investigation and the New York City police said they had no information that would show any blood relationship between the two men.

The meeting last night in the third-floor rear apartment was closed to newsmen, but a statement was issued on the vote at its conclusion.

The party claims a worldwide membership of 2,500 persons. A police official has called the figure "inflated," adding that the party is "more a nuisance than a menace."

James H. Madole, 37-year-old head of the Renaissance party, said in an interview that while he "regretted" that Robert Burros had concealed his Jewish background, "as far as I'm concerned, Burros is A-1."

Madole, who has been active in neo-Nazi activities since the late nineteen-forties, said there were other members of his party with backgrounds similar to Robert Burros.

The apartment where the meeting was held is a combination office for the party and living quarters for Madole. Eight members of the party, including Madole, were convicted last year for inciting to riot in connection with a civil rights demonstration. They are free pending an appeal.
